EDUCATION

Anna University

Arunai Engineering College BE in Electronics and Communication Engineering Expected Grad. May 2024 Cum. GPA: 8.2

Dr.V.Genguswamy Naidu Matric Higher Secondary School

HSC-Mathematics&Computer Science 2019-2020 Percentage-63%

Dr.V.Genguswamy Naidu Matric Higher Secondary School

SSLC 2019-2020 Percentage-86%

SKILLS

Languages:

JavaScript

Frameworks:

Bootstrap, ReactJS

NodeJS, ExpressJS

Database:

Mongo DB

Tools:

Git, Blender, Unity Postgresgl, VS Code

COURSEWORK

Fullstack Web Development(MERN) Digital Marketing and E-commerce Video Editing

LANGUAGES

Tamil English

EXPERIENCE

Cloud Counselage

React is Internship

July 2023 – present Online

- Currently interning at a cloud counselage, gaining hands-on experience in React.js development and contributing to various projects.
- Involved in tasks and projects related to web application development using React.js under the guidance of experienced professionals.

PROJECTS

Smart Face Detection(SFD)

- Developed Smart Face Detection (SFD) web application using React.js for the frontend and Node.js with Express.js for the backend. Integrated Clarifai API for automatic face detection in images via pasted image links.
- Streamlined face detection with a user-friendly web app. Showcased Clarifai API's image recognition capabilities.
- TechStack: React.js, Node.js, Express.js, PostgreSQL, Clarifai API.

Realistic Conference Hall

- Developed an immersive conference room project in AR/VR using Blender and Unity. Created 3D models of conference hall items in Blender and imported them into Unity for scene construction.
- Demonstrated proficiency in AR/VR development, emphasizing interactivity and a rotating fan feature.
- TechStack: Blender, Unity

ACHIEVEMENTS

- Typewriting English(Distinction)
- Self-created and deployed a personal portfolio website

ACTIVITIES

- Working on E-Commerce Website Development
- Working as an React Intern
- Content Creation on Youtube
- Video Editing
