Video Editing

EXPERIENCE

Cloud Counselage   July 2023 – September 2023
React js Internship   Online

- Currently interning at a cloud counselage, gaining experience in React.js development and contributing to project called Thunder-H.
- It is a LinkedIn clone, where I implemented user authentication,profile creation, and a news feed feature to simulate the LinkedIn experience.
- TechStack: React Redux, Firebase

PROJECTS

Smart Face Detection

- Developed Smart Face Detection web application using React.js for the frontend and Node.js with Express.js for the backend. Integrated Clarifai API for automatic face detection in images via pasted image links.
- Streamlined face detection with a user-friendly web app. Showcased Clarifai API's image recognition capabilities.
- TechStack: React.js, Node.js, Express.js, PostgreSQL, Clarifai API.

Personal Porfolio Website

- Created a personal porfolio website using HTML, SCSS and Javascript to present my professional skills and projects
- Strengthened my online presence, enabling me to effectively demonstrate my cabalities to potential employers and collaborators, resulting in increased career opportunities
- TechStack: HTML, SCSS, Javascript

ACHIEVEMENTS

- English Typing Distinction
- Completed Cloud Counselage Internship

HOBBIES

- Content Creation on Youtube
- Coding Practice
